Responsibilities

Sean Critchley is responsible for the marketing of Conner Strong & Buckelew Public Entity Programs in the North Jersey Region. Special emphasis is placed on larger risks that may consider alternative risk options and are financially able to assume a portion of risk.

Background

Critchley has several years of brokerage experience with Professional Liability accounts. His intensive legal training has resulted in a broad-based knowledge of the various intricacies of the professional liability and health insurance markets.

Education

Seton Hall University, School of Law – Juris Dictum

Villanova University – Bachelor of the Arts
