Responsibilities

Paul Laracy is the Executive Director of the five Health Insurance Funds managed by PERMA Risk Management Services, an independent affiliate of Conner Strong & Buckelew. In this capacity, he manages day-to-day affairs of the Funds, reports to each Funds' executive committees, and oversees underwriting, financial, governance, and regulatory operations.

Background

Prior to joining Conner Strong & Buckelew, Laracy was a city management professional for 13 years. He served as Business Administrator of Berkeley Township, NJ; Administrator of Point Pleasant, NJ; and Assistant Administrator in Plainfield, NJ. He was one of the founding commissioners of the Ocean Joint Insurance Fund. In 1991, Laracy joined Conner Strong & Buckelew, bringing an in-depth knowledge of the public sector to the risk management discipline.
